SUMMARY

A software engineer with experience building modern web applications and custom software solutions for clients. Proficient in deploying applications to cloud-based servers and well-versed in the project management lifecycle. Looking to contribute long-term organizational value through my knowledge of various programming technologies. Passionate about working in a collaborative environment to create meaningful applications and solve programming challenges that benefit the end user.

SKILLS

Programming Languages

JavaScript, TypeScript, Python, PHP, HTML, CSS

Technologies

React, Vue, Node, Express, MySQL, MongoDB, SQL Server, AWS, Google Cloud, REST APIs, Gatsby, Bootstrap, Material UI, Apache, Nginx, Serverless

Project Management

JIRA, GitHub, BitBucket, GitLab, Git, Agile Methodology, Microsoft Office, Google Workspace

EXPERIENCE

Software Engineer - Passport

Jan 2022 - Present

- Delivers product features for the Permits team using React, Node, & AWS cloud computing tools such as DynamoDB and Lambda.
- Utilizes test-driven development to build functional solutions for requested software features.
- Works on an agile development team that defines, evaluates, prioritizes, and completes user stories in two-week sprints.

Software Development Manager - MacguyverTech

Jul 2020 - Jan 2022

- Mapped out daily and weekly tasks for the development team and oversaw multiple client projects throughout their life cycles.
- Developed a more efficient process to deploy applications to cloud-based servers.
- Established and improved onboarding process to help new developers better assimilate to the company's code base and development practices.

Software Developer - MacguyverTech

Jul 2020 - Jul 2021

- Delivered performance-driven and user-centric websites that met all business requirements.
 - Implemented enhancements to existing applications that fixed errors and improved applications functionality and speed.
 - Built and documented RESTful APIs.
-

EDUCATION

University of Pennsylvania, Full-Stack Web Development Professional Certificate

2019 - 2020

Rutgers, The State University of New Jersey, Bachelor of Science - Biology

2014 - 2018
