SUMMARY

A full-stack developer and graduate of both Rutgers University and the University of Pennsylvania LPS Coding Bootcamp looking to contribute long-term organizational value through my knowledge of both front and back-end technologies. Well-versed in various web technologies such as JavaScript, React.js, Node.js, MongoDB and MySQL used to generate fully functional websites, web applications, and databases. Equipped to work collaboratively in a team setting to ensure optimal results for user and technology centered designs.

SKILLS

JavaScript, React.js, Node.js, Express.js, MongoDB, MYSQL, HTML5, CSS3, Bootstrap, jQuery, ORMs (Sequelize/Mongoose), Git, Microsoft Office, Wordpress, Photoshop

PROJECTS

React Colors | https://github.com/ksentak/react-colors
A clone of Material UI Colors that highlights my knowledge, skills, and experience with React
Technologies Used: React, JavaScript, ES6, JSX, HTML, CSS

React User Authentication | https://github.com/ksentak/react-user-auth
A user authentication template application I built using react that allows a user to sign up/log in
Technologies Used: React, Redux, Node, Express, MongoDB, JavaScript, JSON Web Token

Omega | https://github.com/ksentak/omegawo-app
A MERN-stack application that allows a user to create an account and schedule their workouts
Technologies Used: MongoDB, Express, React, Node, Mongoose, JavaScript, HTML, CSS

EXPERIENCE

Hub Operations – United Parcel Service   **2015-Present**

Contribute to the continued growth and profitability of UPS by maintaining the highest standards for account productivity, accuracy, organizational policy, communication, cooperation, and safety

Maintain the integrity of shipments to preserve the condition of products during loading, unloading and packaging

Mentor and assist with onboarding and training of new hires in all functional areas relating to operating procedures, safety, and logistics navigation

EDUCATION

University of Pennsylvania, Full-Stack Web Development Professional Certificate

- Successfully completed a rigorous course and gained a professional certificate from the University of Pennsylvania in which I developed the necessary skills to create fully functional web applications

Rutgers, The State University of New Jersey, Bachelor of Science - Biology

- 2017 research thesis was selected to be published in the Rutgers Journal of Biological Sciences
